

COMMERCIAL ROOFING

MC Roofing was founded in 1990 as a residential and commercial roofing business. We became MC Roofing Enterprises which is a commercial roofing contractor specializing in the Duro-Last Roofing System. Our customers are in a wide variety of industries throughout Ohio, Kentucky, Indiana and Tennessee.

Why choose MC Roofing and Duro-Last?

MC Roofing is an Authorized Duro-Last Contractor. Our commitment to roofing is unmatched in the industry. Our experienced roofing craftsmen have been thoroughly trained for the installation of the Duro-Last roofing system.

Duro-Last is The "World's Best Roof"®

Duro-Last's custom-prefabricated, reinforced, PVC roofing system is ideal for any flat or low-sloped application. Extremely durable and easily installed by authorized contractors without disruption to daily operations, the Duro-Last single-ply roofing system is also leak-proof, resistant to chemicals, fire and high winds, and virtually maintenance-free. Over a billion square feet of the Duro-Last PVC roofing system membrane have been installed on all types of commercial, industrial, and institutional buildings throughout North America.

Backed By The Industry's Best Warranties

Duro-Last is so confident in the durability of our single-ply vinyl roofing systems protecting commercial and industrial installations with the best warranties in the industry. A standard, comprehensive 15-year full warranty is transferable, has no exclusions for ponding water, and provides coverage against consequential damages that result from defects in the Duro-Last PVC material. Duro-Last also has 20-year warranties available.
